

FREEDOM OF INFORMATION POLICY

Adopted at Annual Meeting 11 May 2016, minute A/4411(vii)

Potterspurvy Parish Council (PPC) is committed to openness and transparency and to making relevant information available, wherever possible, to individuals who may request it, subject to safeguarding the privacy of individuals and to legitimate considerations of national security, law enforcement and commercial interests, where relevant.

The Freedom of Information Act 2000, gives everyone a statutory right of access to information held by bodies such as the Parish Council.

Model Publication Scheme

From 11 May 2016, the Parish Council adopted the model publication scheme issued by the Information Commissioner's Office. A copy of the model scheme can be accessed from www.ico.org.uk.

Information about the Parish Council

A significant amount of information about the Parish Council can be accessed on our website www.potterspurvypc.org.uk. If the information is required in an alternative format, please contact the Clerk via email or in writing at the address shown below.

Making a request for information

Individuals or organisations may make a written request for other information which they believe the Parish Council holds. To request information under the provisions of the Act, and to help us to help you in identifying the precise information you require please email clerk@potterspurvypc.org.uk, or write to the Clerk.

Please be sure to include your name and valid full postal address, as required under the Act, and a clear description of the information you are seeking. When making a request you can state a preference of how you want the information communicated to you. This could be by providing a hard copy, or an electronic copy of the information, providing you an opportunity to inspect a record containing the information or providing a digest or summary of the information. We will try to meet your preference as far as is reasonably practical, or notify you if we cannot do so.

Responding to your request

We will inform you in writing whether we hold the information you have requested and if so, provide it to you not later than 20 working days after we receive the request.

The Freedom of Information Act identifies a number of categories of information which the Parish Council is not required to disclose under the Act. In this case, we will write to you stating the exemption which provides the basis for refusal within the Act and why it applies to the information you requested. We will communicate this to you within the 20 working day time period.

Charges for providing information under the Freedom of Information Act

There is no 'flat rate' fee to receive information and in many cases it will be provided free of charge. However, it should be noted that if the information you are seeking is not readily available in the format in which you are seeking it, the Parish Council may charge you a fee based on the costs associated with providing the information, for example photocopying and postage (known as 'disbursements').

The Freedom of Information Act does permit the Parish Council to refuse your request if we estimate that it will cost us in excess of the appropriate cost limit (currently £450) to fulfil your request.

Freedom of information Fees Notice

If you need to pay a fee for disbursements or because the costs exceed the appropriate limit, we will write to you advising you of the fee required within 20 working days of receipt of your request. This is known as a 'Fees Notice'. When you are issued the Fees Notice, the 20 working day limit for responding stops, and then will start again when we receive payment. If we do not receive the fee from you within three months we are not obliged to comply with the request.
