Membership & Participation

Membership levels have remained steady, with continued participation from existing members and interest from new individuals within the community. The club is encouraged by the ongoing support and involvement across its activities.

New Developments

This year has seen positive progress within the club, including the introduction of a Veterans Football Team, providing further opportunities for participation across different age groups.

Looking ahead, the club is also planning to reintroduce the Magpies Junior Football Team, initially in the format of an Under 10s girls team, helping to support youth development and promote inclusivity within grassroots football.

Achievements

PSSC has continued to operate successfully, maintaining its programme of activities and fostering a positive club environment. This has been made possible through the continued commitment of volunteers, members, and supporters.

Community Contribution

PSSC continues to contribute positively to village life by providing opportunities for sport, social interaction, and community spirit. The club values its role within the village and looks forward to continuing this contribution in the year ahead.

Closing Statement

PSSC would like to thank all members, volunteers, and supporters for their continued dedication and support.
